

WHEN THE
SOLUTION
 IS **PEOPLE**
BRAINS II DELIVERS

Brains II Placement Services will free up your organization's internal resources to give you:

- **Time** - to focus on your core business priorities and grow your business
- **Expertise** - tap into full technical support from Brains II's highly-skilled pool of labour resources, nation-wide
- **Security** - with the comfort that comes from dealing with a proven leader in Canada's IT industry

Brains II has been providing multi-vendor IT service and support to thousands of mission-critical installations for thirty years.

Our expertise in service and support for hardware and operating systems can effectively manage your entire IT infrastructure.

Brains II has many flexible service plans to meet all your budget and IT needs. We provide problem escalation procedures that can be customized to meet your requirements, upgrade and removal services, data center relocation and much, much more! For equipment not under a service contract, Brains II performs time and materials services, and provides depot service for easy-to-transport items.

LEVERAGE THE POWER AND EXPERTISE OF BRAINS II

- Tap into our highly-skilled technical support team, nationwide, with over 200 professionals distributed in every city across Canada
- Gain quick access to resources, when and where you need them, short or long-term
- Benefit from our many strategic partnerships with industry market-leaders
- Maximize your organization's full potential with Brains II's support levels that regularly exceed industry standards

Avoid getting caught up in the daily struggles of Resource Management.

Brains II works with you to evaluate and determine your resource requirements, and then implements and manages the acquisition of manpower. We are the best fit for your IT staffing needs, with a highly-skilled support team that is well-versed in high-volume, high-performance service levels.

Whether you are seeking resources from within your own organization, or externally, Brains II can help. We can fill a wide range of skill requirements, including:

- Desk-side support
- Image Services
- Software Testing
- Quality Control
- Field Service
- Help Desk Services
- Adds, Moves, Changes
- Warehousing and Distribution
- Special Events and Conferences
- After-hours support
