

# OPTIMIZE THE WAY YOUR COMPANY PRINTS

## WHY BRAINS II?

- **End-to-end services**
- **Flexible cost-per-page billing models**
- **Service level and performance reporting**

Brains II has been providing multi-vendor support to thousands of mission-critical installations for thirty years.

Our expertise in service and support for hardware and operating systems can effectively manage your entire IT infrastructure.

Brains II has many flexible service plans to meet all your budget and IT needs. We provide remote monitoring to pro-actively identify and prevent problems, problem escalation procedures that can be customized to meet your requirements, upgrade and removal services, data center relocation and much, much more! For equipment not under a service contract, Brains II performs time and materials services, and provides depot service for easy-to-transport items.

## WHAT CAN BRAINS II DO FOR YOU?

### Extend the lifecycle of your existing printers

- Brains II helps to keep printers of all ages, makes and models up-and-running smoothly and efficiently with flexible cost-per-page billing models. No need to replace your existing printers.

### Free You from Printer Management

- We can manage your entire printer fleet across Canada. We provide service level and performance reporting, supplies, toner procurement and management, and can evaluate the nature and volume of your company's print output by printer and department.

### Save You Time and Money

- Brains II will be your single point-of-contact and will consolidate the administration of service and consumables for print devices across your company, allowing you to better forecast print budgets.

### Reduce Your Carbon Footprint

- By reducing paper consumption, power usage and eliminating redundant devices, you will save money and help the environment.

## SUPPORT SERVICES

### Maintenance and Reporting

- Convenient on-site service across Canada
- Service level and service performance reporting
- Customized consumables reporting
- Financial reporting

### Supplies & Procurement Management

- **Toner cartridge** procurement, inventory and replacement
- **Maintenance kits** procurement, inventory and installation
- **Fleet Management** using sophisticated software tools certified by leading manufacturers

**Optimize the way your company prints and significantly improve your balance sheet.**

### How?

Brains II delivers the best possible value for your print dollars.

Our services cover everything from assessing your print requirements to managing your print fleet, supplies and service.

**The result: we help you build a well-managed print environment, driven by user productivity and cost-efficiency improvements.**
